

THE ALBERT H. PAGE SCHOLARSHIP FUND
RULES AND REGULATIONS

The Fund shall provide two (2) scholarships per year, one (1) for a son and one (1) for a daughter of Local 340 Teamster members, for use in pursuing an undergraduate degree at an accredited college or university of the recipient's choice.

Each scholarship award shall be for one year only and shall be in the amount of \$500 for each winner.

ELIGIBILITY

Applicants for the scholarship award must graduate from high school during the 2018-2019 academic year and have passed their College Entrance Examination and been admitted to a college. They must be the sons or daughters of Local No. 340 members or sons or daughters of members who have retired in good standing from the Local Union. Sons and daughters of deceased members of Local No. 340 are also eligible. Legally adopted children and stepchildren are eligible as natural children.

Sons and daughters of members who are on withdrawal card, but who have not retired are NOT eligible.

FUNDING

Monies for the scholarship awards shall be accumulated from voluntary donations from members and from the Local General Fund.

The Local Union may provide incentives from time to time in order to promote donations.

REGULATIONS

Recipients must attend a college accredited by the Federation of Regional Accrediting Commissions of Higher Education. These institutions are listed in "Accredited Institutions of Higher Education" published by the American Council of Education.

If the recipient is unable to attend college due to a medically certified illness, the scholarship will be held in abeyance for not more than one (1) year.

If schooling is interrupted by military service, the scholarship shall be held in abeyance until the recipient is discharged from the military service, but not more than four (4) years.

When returning from military service, the scholarship holder must notify the Local Union and apply for readmission to college within ninety (90) days and return to school within six (6) months thereafter.

Scholarship money will be deposited periodically with the college or university attended by the student and may be applied only towards legitimate school expenses, such as tuition, room, board, books and miscellaneous expenses.

If a scholarship recipient should quit school after the scholarship money has been paid on his behalf, the unused portion of the money shall be returned to the Fund.

METHOD OF APPLICATION AND METHOD OF AWARD

Any student eligible under the rules set forth above may apply by submitting his application on a form that will be provided by the Local Union upon request.

All applications must be received at the Local Union Office no later than May 1, 2019.

The lottery system shall be used to determine the winner. The Executive Board shall pick out the name of one (1) male and one (1) female, as well as an alternate winner from each group. This will be done at the Executive Board Meeting scheduled for May 2019.

Should either winner fail to enter college at the beginning of the academic year for any reason other than specified in the regulations, the Executive Board shall then make the award to the appropriate alternate winner. (There shall be only one award per family.)

These rules apply to the year 2019 only. The Executive Board shall review and amend these rules every year in order to provide awards based on the financial status of the Fund and make the changes that are deemed beneficial in our efforts to promote and support advance education for our member's eligible children and for our eligible members.
